ORDER

The 8th March, 2021

No. PERS/36/2014(pt)/477. — **WHEREAS**, Dr. Ngangin Lego (Osik), APCS (Admin. Grade) was convicted by the court of the Hon'ble Special Judge Lakhimpur, North Lakhimpur on 15th June, 2016 U/s 13(2) read with Section 13(I)(e) of the Prevention of Corruption Act, 1988, and accordingly sentenced to undergo imprisonment for a period of 5 (five) years with a direction to pay fine of ₹ 2,00,00,000 (Rupees two crores) only and in default of payment of fine, to undergo further rigorous imprisonment for a period of 1 (one) year and consequently he was sent to North Lakhimpur Jail, Lakhimpur for imprisonment and was lodged in North Lakhimpur Jail exceeding a period of forty eight hours ;

AND WHEREAS, vide Government Order no. PERS-36/2014(Pt)/3636 dated 2nd August, 2016 the said Dr. Ngangin Lego (Osik), APCS (Admn. Grade) who was lodged in North Lakhimpur Jail for a period exceeding forty eight hours was deemed to have been suspended with effect from the date of his detention, i.e. with effect from 15th June, 2016 in terms of Sub-Rule (2) of Rule 10 of the Central Civil Services (Classification, Control and Appeal) Rules, 1965 ;

AND WHEREAS, Suspension of Dr. Ngangin Lego (Osik), APCS (Admin. Grade), was last reviewed by the Suspension Review Committee (SRC) on 10th December, 2020 and the suspension of the Officer was recommended and extended for a further period of 90 (ninety) days with effect from 20th December, 2020 to 19th March, 2021 ;

AND WHEREAS, the Competent Authority has examined the matter in the light of the Hon'ble Supreme Court Order dated 2nd August, 2001 in K.C. Sareen Vrs CBI that QUOTE when a public servant was found guilty of corruption after a judicial adjudicatory process conducted by a court of law, judiciousness demands that he should be treated as corrupt until he is exonerated by a superior court. The mere fact that an appellate or revisional forum has decided to entertain his challenge and to go into the issues and findings made against such public servants once again should not even temporarily absolve him from such findings. If such a public servant becomes entitled to hold public office and to continue to do official acts until he is judicially absolved from such findings by reason of suspension of the order of conviction it is public interest which suffers and sometimes even irreparably. When a public servant who is convicted of corruption is allowed to continue to hold public office it would impair the morale of the other person manning such office, and consequently that would erode the already shrunk confidence of the people in such public institutions besides demoralizing the other honest public servants who would either be the colleagues or subordinates of the convicted person. If honest public servants are compelled to take orders from proclaimed corrupt officers on account of the suspension of the conviction the fall out would be one of shaking the system itself. UNQUOTE ;

AND WHEREAS, the matter was discussed and deliberated in the Suspension Review Committee meeting held on 4th March, 2021 and it has been observed that Dr. Ngangin Lego (Osik) has been convicted by the trial Court on very serious charges and therefore, revocation of his suspension will have detrimental and demoralizing effect on all the fellow officers and will set a bad precedence in the functioning of the Government ;

AND WHEREAS, in view of the facts and circumstances stated above, the Suspension Review Committee has recommended that the suspension of Dr. Ngangin Lego, APCS (AG) be extended for a further period of 42 (forty two) days with effect from 20th March, 2021 to 30th April, 2021 ;

OFFICE MEMORANDUM

The 1st December, 2011

Subject : Official dealings between the Administration and Members of Parliament and State Legislatures - Observance of proper procedure.

No. 11013/4/2011-Estt.(A).—The Members of Parliament and State Legislatures as the accredited representatives of the people occupy a very important place in our democratic set-up. In connection with their duties, they often find it necessary to seek information from the Ministries/Departments of the Government of India or the State Governments, or make suggestions for their consideration or ask for interviews with the officers. Certain well - recognized principles and conventions to govern the relations between the Members of Parliament/State Legislatures and Government servants have already been established.

2. Reference is invited to the guidelines concerning the official dealings between Administration and Members of Parliament and State Legislatures which were issued by the Cabinet Secretariat (Department of Personnel and Administrative Reforms, in the O.M. No. 25/19/64-Estt. (A) dated 08.11.1974). The importance of adherence to these guidelines was reiterated in the Department of Personnel and Training's O.M. No. 11013/6/2005-Estt.(A) dated 17th August, 2007. The provisions of the Central Secretariat Manual of Office Procedure regarding prompt disposal of communications from MPs have also been reiterated by the Department of Administrative Reforms and Public Grievances. The Minister of State for Personnel, Public Grievances and Pensions has also written to all Ministers in this regard vide D.O. letter dated 5th May, 2011, requesting that a mechanism may be set up to periodically monitor progress in disposal of references received from Members of Parliament.

3. Some instances of non-adherence to the existing guidelines have been brought to Government's attention by Members of Parliament and a need has been felt for again sensitizing all administrative authorities concerned.

4. The Central Secretariat Manual of Office Procedure provides following instructions for prompt disposal of letters from Members of Parliament :-

Correspondence with Members of Parliament—

- (1) Communications received from a Member of Parliament should be attended to promptly.
- (2) Where a Communication is addressed to a Minister or a Secretary to the Government, it should, as far as practicable, be replied to by the Minister or the Secretary himself as the case may be. Where it is not practicable for the Minister to reply, a reply should normally be issued under the signature of an officer of the rank of Secretary to the Government.
- (3) Where a Communication is addressed to the head of an attached or subordinate office, Public Sector Undertakings, Financial Institutions (Including nationalized Banks) Division/Branch in charge in a Ministry/Department/Organization, it should be replied to by the addressee himself. In such cases, care may be taken to ensure that wherever policy issues are involved, approval of the competent authority is obtained before a reply is sent. It should, however, be ensured that the minimum level at which such replies are sent to Member of Parliament is that of Under Secretary and that also in a polite letter form only.
- (4) Information sought by a Member of Parliament should be supplied unless it is of such a nature that it would have been denied to him, if similar information had been sought in Parliament.
- (5) While corresponding with Members of Parliament, it should be ensured that the letter is legible, Pre-printed or cyclostyled replies should be scrupulously avoided.
- (6) In case a reference from an ex-member of Parliament is addressed to a Minister or Secretary, reply to such reference may be sent by the concerned Divisional Head after obtaining approval of the Secretary of Ministry/Department.

In case the reference is addressed to a lower level Officer, reply to such reference could be sent by the officer on his own in non-policy cases and after obtaining approval of the higher authorities in policy cases. Here also, it may be ensured that the minimum level at which a reply is sent is that of an Under Secretary and that too in a polite letter form only.

Prompt response to letters received -

- (1) Each Communication received from the Member of Parliament, a Member of the Public, a recognized association or a public body will be acknowledged within 15 days, followed by a reply within the next 15th days of acknowledgement sent.
- (2) Where a delay is anticipated in sending a final reply or where the information has to be obtained from another Ministry or another office, an interim reply may be sent within a month (from the date of receipt of the communication) indicating the possible date by which a final reply can be given.

- (3) If any such communication is wrongly addressed to a department, it should be transferred promptly (within a week) to the appropriate department under intimation to the party concerned.
5. The aforesaid guidelines also cover Official dealings between Administration and Members of Parliament/ State Legislatures. In this context, attention is also invited to Rule 3(2A) of All India Service (Conduct) Rule, 1968 and Rule 3-A of Central Civil Service (Conduct) Rules, 1964 which provide as follows :-

Every member of the service shall in the discharge of his duties act in a courteous manner and shall not adopt ditatory tactics in his dealings with the public or otherwise.

The existing instructions are hereby appropriately strengthened to emphasize the basic principles to be borne in mind by the Government servants while interacting with the Members of Parliament and State Legislatures. These are as follows :-

- (i) Government servants should show courtesy and consideration to Members of Parliament and State Legislatures ;
 - (ii) While the Government servants should consider carefully or listen patiently to what the Members of Parliament and of the State Legislatures may have to say, the Government servant should always act according to his own best judgement and as per the rules :
 - (iii) Any deviation from an appointment made with a Member of Parliament/State Legislature must be promptly explained to him to avoid any possible inconvenience. Fresh appointment should be fixed in consultation with him ;
 - (iv) An officer should be meticulously correct and courteous and rise to receive and see off a Member of Parliament/State Legislature visiting him. Arrangements may be made to receive the Members of Parliament when, after taking prior appointment, they visit the officer of the Government of India, State Government or local Government. Arrangements may also be made to permit entry of vehicles of the Members to these Offices subject to security requirements/restrictions ;
 - (v) Members of Parliament of the area should invariably be invited to public functions organized by a Government office. Proper and comfortable seating arrangements at public functions and proper order of seating on the dais should be made for Members keeping in view the fact that they appear above officers of the rank of Secretaries to Government of India in the Warrant of Precedence ; The invitation cards and media events, if, organized for the function held in the constituency, may include the names of the Members of that constituency who have confirmed participation in these functions.
- It is clarified that if a constituency of any Member of Parliament is spread over more than one District, the M.P. should invariably be invited to all the functions held in any of the Districts which are part of his/her constituency ;
- (vi) Where any meeting convened by the Government is to be attended by Members of Parliament, special care should be taken to see that notice is given to them in good time regarding the date, time, venue etc., of the meeting. It should also be ensured that there is no slip in any matter of detail, however minor it may be. It should especially be ensured that :-
 - (a) Intimations regarding public meetings/functions are sent through speedier communication devices to the M. Ps, so that they reach them well in time, and
 - (b) that receipt of intimation by the M.P. is confirmed by the officer/official concerned.
 - (vii) Letters from Members of Parliament and Members of State Legislatures must be promptly acknowledged, and a reply sent at an appropriate level expeditiously as per the relevant provisions of the Central Secretariat Manual of Office Procedure ;
 - (viii) Information or statistics relating to matters of local importance must be furnished to the MPs and MLAs when asked for. The information so supplied should be specific and answer the points raised. A soft copy of the information should also be sent to the Member via e-mail ;
 - (ix) If the information sought by a Member of Parliament cannot be given and is to be refused, instructions from a higher authority should be taken and the reasons for not furnishing the information should be given in the reply ;
 - (x) Wherever any letter from a Member of Parliament is in English and the reply is required to be given in Hindi in terms of the official Languages Act, 1963 and the rules framed thereunder, an English translation should also be sent along with reply for the convenience of such Members of Parliament from non-Hindi speaking areas ;
 - (xi) References from the Committees of Parliament must be attended to promptly ;

PART — III

Resolutions, orders, notifications, rules etc., issued by the
Government and Heads of Departments.

OFFICE MEMORANDUM

The 17th November, 2021

Sub : Scheme for Compensatory Appointment under the Urban Local Bodies of State of Arunachal Pradesh Guideline, 2021.

No. MUN/Estt-18/2019-20/1331-40.—In the public interest and general wellbeing of the employees of Municipal Bodies of Arunachal Pradesh, the existing instruction for making compassionate appointment under the Government of Arunachal Pradesh namely : “Scheme for Compensatory Appointment under the State Government - Revised Consolidated instruction” have been reviewed and accordingly, it has been decided by the State Government to extend/adopt the scheme and shall be applicable to all the Municipal Bodies of Arunachal Pradesh with immediate effect.

1. OBJECT :

The Object of the scheme is to grant appointment on compassionate grounds to a dependent family member of a Municipal Employee dying in harness or who is retired on medical grounds thereby leaving his/her family in penury and without any means of livelihood, to relieve the family of the Municipal Employee concerned from financial destitution and to help it get over the emergency.

2. TO WHOM APPLICABLE :

To a dependent family member.....
of a Municipal employee who.....

- (a) dies while in service (including death by suicide) ; or
(b) is retired on medical grounds before attaining age of 55 years (57 years for Group “D”)

I. “Dependent family member” means :

- (a) Spouse ; or
(b) Son (including adopted Son) : or
(c) Daughter (including adopted daughter) : or
(d) Brother or Sister in the case of unmarried Municipal Employee, who was wholly dependent on the Municipal Employee at the time of his/her death in harness or retirement on medical grounds, as the case may be.

II. “Municipal employee” for the purpose of these instructions means a Municipal Employee appointed on regular basis and not one working on daily wage or casual or apprentice or ad-hoc or contract or re-employment basis.

III. “Confirmed Work-Charged Staff” will also be covered by the term ‘Municipal Employee’ mentioned in Note-II above.

IV “Service” includes extension in service (but not re-employment) after attaining the normal age of retirement in a Municipal Post.

V. “Re-employment” does not include employment of ex-servicemen before the normal age of retirement in a civil post.

3. AUTHORITY COMPETENT TO MAKE COMPASSIONATE APPOINTMENT :

Municipal Commissioner/Chief Municipal Executive Officer/Municipal Executive Officer in all cases with prior approval of the State Government.

4. POSTS TO WHICH THIS APPOINTMENT CAN BE MADE :

Group 'C' or Group 'D' posts against the direct recruitment quota.

5. ELIGIBILITY :

- (a) The family is indigent and deserved immediate assistance for relief from financial destitution ; and
- (b) Applicant for compassionate appoint should be eligible and suitable for the posts in all respects under the provisions of the relevant recruitment rules.

6. A. EXEMPTIONS :

Compassionate appointments are exempted from observance of the following requirements :-

- (a) Recruitment Procedure through the Staff Selection Commission or the Employment Exchange for Group 'D' posts in the state ULB's.
- (b) The ban orders on filling up of the posts issued by the Government of Arunachal Pradesh.

B. RELAXATIONS :

- (a) Upper age Limit could be relaxed wherever found to be necessary. The lower age limit, should, however, in no case be relaxed below 18 years of age.
 - I. Age eligibility shall be determined with reference to the date of application and not the date of appointment.
 - II. Authority competent to take a final decision for making compassionate appointment in a case shall be competent to grant relaxation of Upper age limit also for making such appointment.
- (b) Secretary of Town Planning & Urban Local Bodies, Government of Arunachal Pradesh is competent to relax temporary educational qualifications as prescribed in the relevant recruitment rules in the case of appointment at the lowest level e.g. Group 'D' or Lower Division Clerk Post, in exceptional circumstances where the condition of the family is very hard provided there is no vacancy meant for compassionate appointment in a post for which the dependent family member in question is educationally qualified. Such relaxation is will be permitted up to a period of two years beyond which no relaxation of educational will be admissible and the services of the person concerned. If still unqualified, are liable to be terminated.
- (c) In the matter of exemption from the requirement of passing the typing test those appointed on the compassionate grounds to the post of L.D.C will be governed by the general orders issued in this regard by Administrative Reforms/O&M of the Department of Personnel Administrative Reforms and Training.
- (d) Where a widow is appointed on compassionate ground to a Group 'C' post, she will be exempted from the requirement of possessing the educational qualifications prescribed in the relevant rules provided the duties of the post can be satisfactorily performed by her without possessing such educational qualifications.

7. DETERMINATION/AVAILABILITY OF VACANCIES :

- (a) Appointment on compassionate ground should be made only if regular vacancies meant for that purpose are available.
- (b) Compassionate appointments can be made upto maximum of 5% of vacancies falling under direct recruitment quota in any Gr. 'C' or 'D' posts. The appointing authority may hold back upto 5% of vacancies in the aforesaid categories to be filled by direct recruitment through various selection or otherwise so as to fill vacancies by appointment on compssionate grounds.
- (c) While the ceiling of 5% for making compassionate appointment against regular vacancies should not be circumvented by making appointment of dependent family member of Municipal Employee on casual/daily wage/ad-hoc/contract basis against regular vacancies, there is no bar to considering him/her for appointment if he/she eligible as per the normal rules/orders governing such appointments.
- (d) The ceiling of direct recruitment vacancies for making compassionate appointment should not be exceeded by utilising any other vacancy e.g. sports quota vacancy.

8. BELATED REQUESTS FOR COMPASSIONATE APPOINTMENT :

- (a) Urban Local Bodies (Municipal Bodies) can consider requests for compassionate appointment even where the death or retirement on medical grounds of a Municipal Employee took long back, say years or so. While considering such belated requests, it is so however, be kept in view that the concept of

compassionate appointment is largely related to the need for immediate assistance to family of the Municipal Employee in order to relieve from economic distress. The very fact that the family was able to manage somehow all these years should normally be considered as adequate proof that the family had some dependable source of subsistence. Therefore, examination of such cases would be a great deal of circumspection. The decision to make appointment on compassionate grounds in such cases may, therefore, only be at the level of the Secretary of the Department concerned.

- (b) Whether a request for compassionate appointment is belated may be decided with reference to the date of death or retirement on medical ground of a Municipal Employee and not the age of the applicant at the time of consideration.

9. WIDOW APPOINTED ON COMPASSIONATE GROUNDS GETTING REMARRIED :

A widow appointed on compassionate grounds will be allowed to continue in service even after remarriage.

10. WHERE THERE IS AN EARNING MEMBER :

- (a) In deserving cases even if there is already an earning member in the family, a dependent family member may be considered for compassionate appointment with prior approval of the Secretary of the Department concerned who, before approving such appointment, will satisfy himself that the grant of compassionate appointment is justified having regard to number of dependents, assets and liabilities left by the Municipal Employee, income of the earning member is residing with the family of the Municipal Employee and whether he should not be a source of support to other members of the family.
- (b) In cases where any member of the family of the deceased or medically retired Municipal Employee is already in employment and is not supporting the other members of the family of the Municipal Employee, extreme caution has to be observed in ascertaining the economic distress of the members of the family of the Municipal Employee so that the facility of appointment on compassionate ground is not circumvented and misused by putting forward the ground that the member of the family already employed is not supporting the family.

11. MISSING MUNICIPAL EMPLOYEE :

Cases of missing Municipal Employees are also covered under the scheme for compassionate appointment subject to the following conditions :-

- (a) A request to grant the benefit of compassionate appointment can be considered only after a lapse of at least 2 years from which the Municipal Employee has been missing, provided that :
 - (i) An FIR to this effect has been lodged with the police.
 - (ii) The missing person is not traceable, and
 - (iii) The competent authority feels that the case is genuine ;
- (b) This benefit will not be applicable to the cases of the Municipal Employee :-
 - (i) Who had less than two years to retire on the date from which he has been missing ; or
 - (ii) Who is suspected to commit fraud, or suspected to have joined any terrorist organization or suspected to have gone abroad.
- (c) Compassionate appointment in the case of a missing Municipal Employee also would not be a matter of right as in the case of others and it will be subject to fulfilment of all the conditions, including the availability of vacancy, laid down for such appointment under the scheme :
- (d) While considering such a request, the results of the police investigation should also be taken into account, and
- (e) A decision for any such request for compassionate appointment should be taken only at the level of the Secretary of the Department concerned.

12. PROCEDURE :

- (a) The Proforma as in Annexure may be used by Municipal Bodies for ascertaining necessary information and processing the cases of compassionate appointment.
- (b) An officer designated as Welfare Officer for the case of appointment on compassionate ground shall meet the members of the family of the Municipal Employee in question immediately after his death to advise and assist them in getting appointment on compassionate grounds. The applicant should be called in person at the very first stage and advised in person about the requirements and formalities to be completed by him.

- (c) An applicant for appointment on compassionate ground should be considered in the light of instruction issued from time to time by the Urban Local Bodies on the subject by the committee of the officers considering of 3 officers one chairman and 2 Members in the Joint/Assistant Commissioner/Municipal Secretary of the Municipal Bodies. The Welfare Officer may also be taken as one of the Members/Chairman of the Committee Depending upon his rank. The Committee may meet during the second week of every month to consider the cases received during the previous month. The applicant may also be granted personal hearing by the committee if necessary, for better appreciation of the facts of the cases.
- (d) Recommendation of the committee should be placed before the competent authority for the decision. If the competent authority disagrees with the committee's recommendation, the case may be referred to the next higher authority for a decision i.e. Director, Town Planning & Urban Local Bodies.

13. UNDERTAKING :

A person appointed on compassionate grounds under the scheme should give an undertaking in writing (as Annexure) that he/she will maintain properly the other family members who were dependent on the Municipal Employee in question and in case it is proved subsequently (at any time) that the family members are being neglected or not being maintained properly by him/her, his/her appointment may be terminated forthwith.

14. REQUEST FOR CHANGE IN POST/PERSON :

When a person has been appointed on compassionate to a particular post, the set of circumstances, which led to such appointment, should be deemed to have ceased to exist. Therefore :-

- (a) He/she should strive in his/her career like his/her colleagues for future advancement and any request for appointment to any higher post on consideration of compassion should invariable be rejected.
- (b) An appointment made on compassionate grounds cannot be transferred to any other person and any request for same on consideration of compassion should invariable be rejected.

15. SENIORITY :

- (a) The inter-se-seniority of person appointed on compassionate ground may be fixed with reference to their date of appointment without disturbing the inter-se-seniority of direct recruits/promotes.
- (b) Date of joining by a person appointed on compassionate ground shall be treated as the date of his/her regular appointment.

16. GENERAL :

- (a) Appointments made on grounds of compassion should be done in such a way that the person appointed to the post do have the essential educational and technical qualifications and experience required for the post consistent with requirement of maintenance of efficiency of administration.
- (b) It is not the intention to restrict employment of a family member of the deceased or medically retired Group 'D' Municipal Employee to a Group 'D' Municipal Employee only. As such, a family member of such Group 'D' can be appointed to a Group 'C' post for which he/she is educationally qualified, provided a vacancy in Group 'C' post exists for this purpose.
- (c) An application for compassionate appointment should, however, not be rejected merely on the ground of the family of the Municipal Employee that he/she has received the benefits under the various welfare schemes. While considering a request for appointment on compassionate a balanced and Objective assessment of the financial condition of the family has to be made taking into its assets and liabilities (including the benefits received under various welfare schemes mentioned above) and all the relevant factors such as the presence of the earning member, size of the family, ages of the children and the essential needs of the family etc.
- (d) Compassionate appointment should not be denied or delayed merely on the ground that there is reorganisation in the Municipal Bodies. It should be made available to the person concerned if there is a vacancy meant for compassionate appointment and he or she is found eligible and suitable under the same.
- (e) Request for compassionate appointment consequent on death or retirement or on medical grounds of Group 'D' staff may be considered with greater sympathy by applying relaxed standards depending on the facts and circumstances of the case.
- (f) Compassionate appointment will have precedence over absorption of surplus employees and regularisation of daily wages/casual workers with/without temporary status.
- (g) Any request to increase the upper age limit of 55 years for retirement on medical grounds or on any other ground should invariably be rejected so as to ensure that the benefit of compassionate appointment available under the scheme is not misused by seeking retirement on medical grounds at the fag end of one's career.

Therefore, the authority competent is directed to implement the above Compassionate Appointment Scheme under Town Planning & Urban Local Bodies (Municipal Bodies) while entertaining any request for appointment on compassionate ground.

This issue with the approval of Hon'ble Minister, Town Planning & ULBs, Arunachal Pradesh vide Computer No: 11572 File No: TP-ULB-11011/2/2021-DIR-TP-ULB-TP of dated 1st November, 2021.
