OFFICE MEMORANDUM

The 15th February, 2017

**Subject : Timely and regular conduct of Departmental Promotion Committee (D.P.C.) meetings.**

No.AR-54/2016.— It has come to the notice of the Government that many Departments are not convening the periodical Departmental Promotion Committee (DPC) Meeting thereby depriving timely promotion to the eligible Officers/Officials and forcing many Officers/Officials to stagnate inordinately at a particular post for years together despite being eligible for promotion.

2. Such stagnation in service has a cascading effect in the Departmental hierarchy which adversely affects the morale of the Officers/Officials resulting in low work output and degradation of overall work culture in the Department. It has been noticed that, non-conduct of timely DPC meetings has also become major cause of corruption in the Departments. There are many instances where officers and officials are left with no other option but to resort to unfair means and approaches in getting their promotion cases considered either through an induced sitting of DPC or without any DPC at all.

3. The Government has taken a very serious view in respect of this matter. It has been felt that in order to have maximum work output from the Government employees, better career progression and more congenial working atmosphere has to be ensured.

4. In view of the above, all the Principal Secretaries/Commissioners/Secretaries/Heads of Departments (HoDs)/Heads of Office (OOs) are directed **to conduct the Departmental Promotion Committee (DPC) meeting at least once in six months as indicated below :-**

- (i) **Departmental Promotion Committee (DPC) Meeting shall be held for promotion of Officers/Officials who come under the zone of consideration during the month of January to June - the first week of July of the particular year.**
- (ii) **Departmental Promotion Committee (DPC) Meeting shall be held for promotion of Officers/Officials who come under the zone of consideration during the month of July to December - the first week of January of the succeeding year.**

5. The above decision is brought to the notice of all Heads of Departments/Appointing Authorities/organizations' under the Government of Arunachal Pradesh for strict compliance. The Action Taken Report (ATR) of the six-monthly Departmental Promotion Committee (DPC) Meeting should be submitted to the Department of Administrative Reforms without fail for record purposes.

6. The Model calendar issued by the Department of Personnel and Training, Government of India in this regard will also serve as a guide.

Shakuntala D. Gamlin  
Chief Secretary,  
Government of Arunachal Pradesh,  
Itanagar.

OFFICE MEMORANDUM

The 7th February, 2017

**Subject : Communication from State Government to Union Ministers.**

No. AR-06/2017.—Instances have come to notice where communication to Union Ministers from the State Government has been addressed by officers of the State Government. This is not in accordance with established protocol and has become a matter of embarrassment to both the Government of India and the Government of Arunachal Pradesh.

In this connection attention is drawn to para 3(ii) of Chapter 6 of the Central Secretariat Manual of Office Procedure which lays down the protocol for addressing such communication to Union Ministers which is reproduced below :-

**“Where a communication is addressed to a Minister, it shall, as far as possible, be replied to by the Minister himself. In other cases, a reply should normally be signed by an officer of the rank of Secretary only.” (This procedure relates to Union Ministers and Secretary to the Government of India).**

As far as the State Government is concerned, where a communication is to be addressed to a Union Minister, it shall, as far as possible, be replied to by the Chief Minister only. In exceptional cases, where the matter is very urgent and Chief Minister is not available due to some unforeseen circumstances the reply should be shown to the Chief Minister through FAX/Whatsapp and obtain the approval. This may be signed by a Minister or Chief Secretary to the Government of Arunachal Pradesh stating that the same has the approval of the Chief Minister.

This is for strict compliance and any lapses in this regard will be viewed very seriously.

Shakuntala D. Gamlin  
Chief Secretary to the

A need has been felt to consolidate all these orders in one place and accordingly, it has been decided, in consultation with Department of Expenditure, to bring out a self contained O.M. in supersession of O.M dated 5th January, 1994 and subsequent amendments on the subject, incorporating the provisions of earlier orders with suitable modifications, wherever necessary.

These orders will also cover the cases of regular appointment on deputation/Foreign Service of employees of State Government/Local bodies etc. as well as PSUs/ Autonomous Bodies of Central/ State Governments as per recruitment rules in the Central Government.
- 2.2. However, the following cases shall not be covered under these orders for whom separate orders exist:-
  - (a) Members of the All India Services and those deputed to posts, whose terms are regulated under specific statutory rules or orders;

  - (d) Appointments of a specific category of employees to a specified class of posts, such as appointments made in the Personal Staff of Ministers etc., In respect of which Special orders are already in existence. However, the terms and Conditions set out in this O.M. will apply to those cases to the extent these are not Specifically Covered under Such special orders.
  - (e) Appointments of the nature of deemed deputation or transfers to ex-cadre posts made in exigencies of Service with the specific Condition that no deputation (Duty) allowance Will be admissible - e.g. (i) interim arrangements In the event of conversion of a Government office/ organisation or a Portion thereof Into a PSU/ autonomous body or Vice-versa; and (ii) appointments to the same post in another cadre.

**3. Scope of Terms 'deputation/ Foreign Service' - Restrictions on treating an appointment as on deputation/ Foreign Service.**

- 3.1. The terms deputation/foreign service will cover only those appointments that are made by transfer on a temporary basis provided the transfer is outside the normal field of deployment and is in public Interest. The question whether the transfer is outside the normal field of deployment or not will be decided by the authority Which controls the service or post from which the employee is transferred.
- 3.2. The following types of appointments Will not be treated as deputation/foreign service for the purposes of these orders:
- Appointment of serving employees made either by promotion or by direct recruitment from amongst Open market candidates Whether on permanent or temporary basis.
  - Permanent appointment made by transfer.
  - Temporary appointment made on the basis of personal requests of employees.
  - Arrangements necessitated by staff imbalances arising on re-organisation of offices on the same or different stations, Subject to the Specific Condition that no deputation (duty) allowance will be admissible in such cases.
- 3.3. A person in a higher Grade Pay/scale of pay shall not be appointed on deputation to a Post In tower Grade Pay/scale of pay if the deputation is from Central Government to Central Government and also in cases Where the scale of pay and dearness allowance in the parent cadre post and ex-cadre post are similar.
- 3.4. However, no appointment on deputation/Foreign Service shall be made from/to Central Government/ an organisation Where the pay scale and DA in the parent cadre post and ex-cadre post are dissimilar, if the basic pay in the parent cadre increased by One Increment plus dearness allowance(s) Including interim relief if any, admissible to a person in the parent cadre post exceeds the basic pay plus dearness allowance (s) Including Interim relief, if any, at the maximum of the pay scale of the ex-cadre post. In the revised pay structure, the maximum of the scale would mean the sum of the Grade Pay of the ex-cadre post and maximum of the Pay Band PB 4 i.e. ₹ 67,000. For example, If the ex-cadre post is in the Grade Pay of ₹ 4,200, then the maximum would be ₹ 71,200 i.e, ₹ 4,200 plus ₹ 67,000 (maximum of PB 4).

**4. Exercise of option :**

- 4.1. An employee appointed on deputation/ Foreign Service, may elect to draw either the pay in the scale of pay of deputation/ foreign service post or his/her basic pay in the parent cadre plus deputation (duty) allowance thereon plus personal pay, if any. However, in case of Government employees on deputation/ Foreign Service to CPSEs, this option will not be allowed and their pay will be governed in terms of the orders issued by Department of Public Enterprises vide OM dated 26th November, 2008 and clarifications issued thereafter.
- 4.2. The borrowing authority shall obtain the option of the employee within one month from the date of joining the ex-cadre post unless the employee has himself furnished the option.
- 4.3. The option once exercised shall be final.
- 4.4. However, the employee may revise the option under the following circumstances which will be effective from the date of occurrence of the same:
- When he/she receives proforma promotion or is appointed to non-functional selection grade or up-gradation of scale in the parent cadre;
  - When he/she is reverted to a lower grade in the parent cadre;
  - When the scale of pay of the parent post on the basis of which his emoluments are regulated during deputation/ Foreign Service or of the- ex-cadre post held by the employee on deputation/ Foreign Service is revised either prospectively or from a retrospective date.
  - Based on the revised/same option of the employee, in the event of proforma promotion/ appointment to non-functional Selection Grade/revision/up-gradation of scales of pay in the parent cadre, his/her pay will be re-fixed with reference to the revised entitlement of pay in the parent cadre. However, if the initial option was for the pay scale of the deputation post and no change in option already exercised is envisaged, the pay already drawn in deputation post will be protected if the pay re-fixed is less.

**Note :** Revision in the rates of DA, HRA or any other allowance either in the parent or borrowing organisation shall not be an occasion for revision of the earlier option.

- 4.5. If the pay of an employee in his cadre post undergoes downward revision, the pay in the ex-cadre post is also liable to be re-fixed on the basis of revised pay and in accordance with the revised option or existing option if the employee does not revise his option.

**5. Pay fixation :**

5.1. When an employee on deputation/Foreign Service elects to draw pay in the scale of pay attached to the ex-cadre post, his/her pay may be fixed as under:

**(i) Deputation from Central Government to Central Government**

If the scale of pay/Grade Pay of the ex-cadre post is higher, the pay may be fixed after adding one increment to the existing pay in the Pay Band of the parent cadre post. The grade pay corresponding to the ex-cadre post would thereafter be granted in addition to this pay in the Pay Band. However, in cases where the fixation of pay in the ex-cadre post involves change of Pay Band also. If the pay in the Pay Band after adding the increment is less than the minimum of the pay band corresponding to the grade pay of the ex-cadre post, the pay in the Pay Band will be fixed at the minimum of the Pay Band.

In case the Grade Pay/scale of employee's cadre post and the ex-cadre Post are identical, the employee would continue to draw his/her existing basic pay.

In case the Grade Pay of the ex-cadre post is upto ₹ 10,000, the Basic Pay, from time to time after Pay fixation should not exceed the maximum of the Pay Band PB-4 (₹ 67,000) plus the Grade Pay of the post held on deputation. In case the ex-cadre post is in the HAG or HAG+ pay scale, the Basic Pay, from time to time after pay fixation should not exceed ₹ 79,000 or ₹ 80,000 respectively.

**(ii) In foreign service/Reverse Foreign Service**

(a) when the pay scale of the post in the parent Cadre and that attached to ex-cadre post are based on the same index level and the DA pattern is also same, the pay may be fixed as under (i) above.

(b) If the appointment is made to a post whose pay structure and/ or DA pattern is dissimilar to that in the parent organisation, pay may be fixed by adding one increment to the pay in the parent cadre post in the scale of his regular parent post ( and if he/she was drawing pay at the maximum of the scale, by the increment last drawn) and equating the pay so raised plus dearness allowance (and additional or ad-hoc dearness allowance, Interim relief etc., if any) with emoluments comprising of pay plus DA, ADA, Interim relief etc., if any, admissible, in the borrowing organisation and the pay may be fixed at the stage in the pay scale of the ex-cadre post at which total emoluments admissible in the ex-cadre post as above equal the emoluments drawn in the cadre.

5.2. In cases of appointment from one ex-cadre post to another ex-cadre post where the employee opts to draw pay in the scale of the ex-cadre post, the pay in the second or subsequent ex-cadre post should be fixed under the normal rules with reference to the pay in the cadre post only, However, in respect of appointments to ex-cadre post carrying Grade Pay identical to that of the ex-cadre post(s) held on an earlier occasion(s), it may be ensured that the pay drawn in subsequent appointment should not be less than the pay drawn earlier.

5.3. In cases of appointments to a second or subsequent ex-cadre post(s) in a higher pay scale/Grade Pay than that of the previous ex-cadre post, the pay may be fixed with reference to the pay drawn in the cadre post and if the pay so fixed happens to be less than the pay drawn in the previous ex-cadre post, the difference may be allowed as personal pay to be absorbed in future increases in pay. This is subject to the condition that on both the occasions, the employee should have opted to draw pay in the scales of pay/Grade Pay attached to the ex-cadre posts.

**Note - 1 :** The term parent post and basic pay means the post held on regular basis in the parent organisation and pay drawn/ admissible in such a post respectively.

**Note - 2 :** An officer who may be holding a higher post on adhoc basis in the cadre at the time of proceeding on deputation/ Foreign Service would be considered to have vacated the post held on adhoc basis and proceeded on deputation/ Foreign Service from his/her regular post. During the period of deputation/ Foreign Service, he/she shall earn notional increments in the parent cadre post. On reversion, if he/she is re-appointed to the higher post on regular or adhoc basis his pay will get fixed with reference to the pay admissible in the lower post on the date of such re-appointment. In such cases, if his pay gets fixed at a stage lower than that of his junior(s) who continued to serve in the cadre, no stepping up will be admissible as per extant rules in so far as Central Government employees are concerned. However, if the pay so fixed is less than the pay drawn earlier while holding the post on ad-hoc basis the pay earlier drawn will be protected. Therefore, those Central Government employees who are already holding a higher post on ad-hoc basis or expecting it shortly in the parent cadre may weigh all relevant considerations before opting for deputation/ Foreign Service. This note of caution will be applicable to employees of other organisations wishing to apply for posts on deputation in Central Government, if governed by similar rules in parent organisation.

**Note - 3 :** Pay of an officer appointed on deputation/Foreign Service on adhoc basis pending selection of a regular incumbent may also be regulated in accordance with provisions of Para 5.1 & 6.1 of this O.M.

**Note - 4 :** The provisions of this Para as well as Para 6 will not apply to appointments on Personal Staff of Ministers. Such appointments will be regulated by separate specific orders issued by the Government in that behalf.

**6. Deputation (duty) Allowance :**

6.1. The deputation (duty) allowance admissible shall be at the following rates:

- (a) In case of deputation within the same station, the allowance will be paid at the rate of 5% of basic pay subject to a maximum of ₹ 2,000 p.m.; and
- (b) In other cases, Deputation (Duty) Allowance will be payable at the rate of 10% of the employee's basic pay subject to a maximum of ₹ 4,000 p.m.
- (c) The deputation (duty) allowance as above shall further be restricted as under:-

Basic Pay, from time to time, plus Deputation (Duty) Allowance shall not exceed the maximum of the Pay Band PB-4 (₹ 67,000) plus the Grade Pay of the post held on deputation in case the Grade Pay of the post held on deputation is upto ₹ 10,000. In case the post held on deputation is in the HAG or HAG+ pay scales, the Basic Pay, from time to time, plus Deputation (Duty) Allowance, should not exceed ₹ 79,000 and ₹ 80,000 respectively .

**Note :** Basic Pay in the revised pay structure means the pay drawn in the prescribed Pay Band plus the applicable Grade Pay but does not include any other type of pay like special pay/allowance etc.

**The rates of deputation (duty) allowance as above shall take effect from 1st September, 2008.**

**Note : 1.** The term 'same station' for the purpose will be determined with reference to the station where the person was on duty before proceeding on deputation.

**Note : 2.** Where there is no change in the headquarters with reference to the last post held, the transfer should be treated as within the same station and when there is change in headquarters it would be treated as not in the same station. So far as places falling within the same urban agglomeration of the old headquarters are concerned, they would be treated as transfer within the same station.

6.2. Special rates of deputation (duty) allowance may be admissible under separate orders in any particular area on account of the condition of living there being particularly arduous or unattractive. Where special rate is more favourable than that given in Para 6.1 above, employees deputed to the area will be given the benefit of the special rate.

6.3.1. If an employee with the permission of the competent authority, proceeds on deputation/Foreign Service from one ex-cadre post to another ex-cadre post in the same or another organisation without reverting to his parent cadre, and if the second ex-cadre post is at the same station as the first one, the rate of deputation (duty) allowance would remain unchanged.

6.3.2. In cases where a person on deputation/Foreign Service is transferred by the borrowing authority from one station to another without any change in the post held by him, the rate of deputation (duty) allowance will be re-fixed as per 6.1 (b).

**7. Admissibility of a allowances and benefits while on deputation/Foreign Service :**

7.1. Any project allowance admissible in a Project area in the borrowing organisation may be drawn in addition to deputation (duty) allowance.

7.2. Any special allowance granted to an employee in the parent Department under FR 9(25) or a corresponding, rule of parent organisation should not be allowed in addition to deputation (duty) allowance . However, the borrowing department may allow in addition to deputation (duty) allowance, under special circumstances, any special allowance attached to the post held by the employee in his/her parent Department, by suitably restricting the deputation (duty) allowance. This will require the specific and prior approval of Department of Personnel and Training.

7.3. In case special allowance is attached to the scale of pay of the ex-cadre post and the employee has opted to draw pay in that scale, then, in addition to the pay in that scale, he will also be entitled to draw such special allowance. However, such special allowance will not be admissible if he has opted to draw pay in the parent cadre scale/Grade Pay plus deputation (duty) allowance.

7.4. Personal pay, if any, drawn by an employee in his parent department will continue to be admissible on deputation/Foreign Service if he/she opts to draw pay in the parent cadre scale/Grade Pay plus deputation (duty) allowance. No deputation (duty) allowance on this personal pay will however, be admissible.

7.5. **Increments:-** The employee will draw increment in the parent cadre grade or in the scale of pay / Grade Pay attached to the deputation post as the case may be, depending on whether he has opted for the parent cadre pay plus deputation (duty) allowance or the pay scale/Grade Pay of the deputation post. If he has opted for pay scale/ Grade Pay of the deputation post, notional increments shall also continue to accrue to him in the post held on regular basis in the parent cadre/ organisation for the purpose of regulation of pay on repatriation to the parent post at the end of the tenure.

**7.6. Admissibility of allowances and benefits while on deputation/ Foreign Service.**

- (a) Such allowances as are not admissible to regular employees of corresponding status in the borrowing organisation shall not be admissible to the officer on deputation/ Foreign Service, even if they were admissible in the parent organisation.

**7.7. Leave salary/Pension/NPS Contribution :**

- (i) As at present, allocation of leave salary and pension contribution between different Ministries/ Departments of Central Government and between Central and State Government has been dispensed with. No. AR-72/2016.—It has been observed of late that some Secretaries to the Government of Arunachal Pradesh are very casual in handling matters of state and national importance by deputing their junior officers for meetings being held by Government of India. It is also observed that these junior officers are not fully aware of the facts that needs to be expressed during such meetings and end up misrepresenting the facts thus causing untold embarrassment to the State.

It must be understood that all meetings held by the Government of India especially those chaired by Joint Secretaries and above, Chairman of CPSUs and Central Government Agencies, should be taken with seriousness and only the Secretaries to the Government of Arunachal Pradesh and above should represent the State. The officers should also study the case in depth, analyse the facts and be fully prepared and brief the Chief Secretary before participating in the meetings. Further, where such meetings involve policy matters, this should be discussed in the Committee of Secretaries to gain collective knowledge of the issues at hand.

## OFFICE MEMORANDUM

The 23rd October, 2017

**Subject :- Measures for improving Work Culture & Organisational effectiveness in all Departments and Offices.**

No. AR/126/2017.—It has been brought to the notice of the Government that work culture and productivity of the Departments and offices under the Government of Arunachal Pradesh have been fallen drastically during the last decades due to lack of proper devotion and commitment of the officers and officials. Several measures were taken in the recent past to improve working scenario of the offices but no notable or visible improvement or changes have noticed in organisational effectiveness and the efficiency of the offices despite repeated efforts. Therefore, the following measures have been taken to improve work culture and thereby productivity of the offices.

2. **Punctuality :** The timely attendance and maintenance of punctuality is a major setback in working of the Government offices. The Government of Arunachal Pradesh have issued a comprehensive guidelines vide Office Memorandum No. AR-75/2012/1 dated 4th February, 2013 No. AR-75/2012/1 dated 19th December, 2014 for proper maintenance of punctuality and attendance of the employees. But still there is lot of absenteeism; skulking, shirking, loafing and untimely arrival and departure from the office. The controlling officers are not taking any action or initiative to stop such activities in spite of repeated directions and orders. The maintenance of official decorum, punctuality and ensuring presence of staff in their duty places during the office hours is also public duty of the Head of office/ Controlling officer. But most of the officers are wilfully evading their responsibility and allowing their staff to act according to their whims and fancies. Now the Government has taken a serious view on the matter and decided to take following measures to improve work culture of the offices:-
3. **Introduction of AADHAR enable: Biometric Attendance System:-**
  - (a) All offices shall compulsory install workable AADHAR enabled Bio-Metric System in their offices and monitor attendance of the staff on day to day basis and initiate action against the evaders. The name of all class of employees shall be registered under the bio-metric system compulsorily and register their attendance on day to day basis. The bio-metric attendance shall be directly linked with thee pay roll and prepare pay as per the attendance recorded in the attendance only. No employees shall be allowed to move away from the office without prior permission of their supervisory officers. The officer should ensure return of the employee within the permissible time and engage themselves in their duties.
  - (b) The Head of Department/Head of Office shall conduct surprise checking and ensure presence of staff in their work place during the working hours. The practice of register attendance and moving away from the office shall also be checked and take necessary action against them promptly.

- (c) The Head office shall monitor functioning of the Bio-Metric system and take measures to avoid tampering, damaging of the system by any individuals on pretext to defeat the purpose. While noticing such occasion, action shall be taken against such employees immediately.
- (d) The Secretary, General Administration Department shall introduce Bio-Metric system in all blocks of the Arunachal Pradesh Secretariat specially door accessible Bio-Metric System enabling to record exit and entry of the employee of the Secretariat. The system shall monitor properly and verify attendance of the staff on a day to day basis and ensure attendance of all classes of employees in the Secretariat. It is also appraised to check exit and entry time of the officers and staff in order to ensure adherence of time code and presence of the employees during their office time. If arrival and departure time of any of the staff is not matching with standard working time, the department should initiate action against such employees as per the rules in vogue without fail.
- (e) Prompt action shall be initiated against the defaulters as per the rules in vogue by the concerned authority.
4. **Flying squad** : Surprise checking will be conducted by the Flying Squad in all offices located in the Capital Complex in terms of Government order No. AR-04/2015 dated 1st July, 2015 and furnish status report to the Chief Secretary for taking necessary action against the absentees. The Head of Office shall initiate action against the absentees soon after receipt of report from the Chief Secretary and submit Action Taken Report to the Chief Secretary within a week along with an explanatory note from the Head to Office, Stating the reason for absenteeism in his office.

The Deputy Commissioner of the District will conduct checking attendance of staff and officers in the District and furnish report to the Chief Secretary on weekly basis. He will also monitor movement of officers including District Heads and initiate action against the erring officers and staffs as per the powers empowered to him.

5. **Arrear Statement** : To Check on delay, all dealing Assistant in Secretariat Department shall submit their Arrear Statement on weekly and monthly basis in prescribed format as envisaged under para 158 and 159 of the Arunachal Pradesh Secretariat Manual of Office Procedure 2010. The Section Officer will evaluate pendency of dak and file and thereafter submit a report to the Branch Officer with remedial measures. They shall take necessary initiative to remove delay and smooth flow of work. The offices outside secretariat also take arrear statement of their staff in prescribed format and take necessary action to mitigate pendency in their office.
6. **Strengthening of Administration : Periodical review under FR-56 (j)/Rule 48 of Central Civil Services (Pension) Rules** :- The authority shall review performance of Government servants and take necessary measures to weed out non-performing employees from time to time as per the provision enshrined under above rule.
7. **Career progression** : The identified problem areas for career up-gradation of the employees is undue delay occurred in conduct of Departmental Promotion Committee (DPC) meeting and extending timely promotion to the employees. Several guidelines were issued for timely conduct of DPC vide OM No. AR-126/16 dated 7th August, 2015. No. AR-54/16 dated 16th June, 2016 and AR-54/2016 dated 15th February, 2017 but no improvements have been noticed in conduct of timely conduct of DPC. The conduct of the Departmental Promotion Committee meeting is a scheduled Programme and convene of DPC meeting as per the schedule and ensure timely promotion to the employees is a public duty of the Appointing Authority but most of the Appointing Authorities are failed in their mandatory duties for one or other reasons. But due to inordinate delay in conduct of DPC meeting and giving promotion amounts to invite unwanted court cases and harassing employees which baffles the employees. The delay in conduct of DPC and promotion leaving opportunity to take undue advantages to some junior officers to secure promotion through unscrupulous means by flouting procedures and rules that create embarrassment among the seniors thereby declining productivity and work culture of the department. The Head of the Department/Head of Office should inform annual vacancy position of all grades to the Department of Administrative Reforms in the Month of January of every year promptly. The Appointing Authority will be held responsible for any delay in conduct of DPC and filling up the posts as per the schedule.
8. **Timely completion of Annual Performance of Appraisal Reports (APARs)** : The APARs is a permanent asset of a Government servant which constitutes important ingredients of the particular Government employee for future career progression. Comprehensive guidelines were issued vide Office Memorandum No. AR-29/2009 dated 9th September, 2009 for timely initiation and completion of APARs. But it is experienced that maintenance of APARs are in bad shape and condition which delays in career progression of employees. Therefore, the Appointing Authorities/Head of Office shall ensure availability of APARs of their employees. They should conduct annual inspection to ensure correctness of the maintenance and availability of the APAR.

The custodian of the APARs or APARs Section will publish availability of APARs of the employees in their Departmental website soon after completion of the prescribed time line for completion of the APAR. The receipt of the APARs shall be properly recorded in the Inventory Register and maintained

by the APARs Section promptly. The Branch officer shall inspect APAR and ensure correctness and availability of APAR and affix his signature in APAR register from time to time with proper comments. The Section concerned will be responsible for loss or non-availability of APAR. The performance of the employees shall evaluate as per the grade and remarks recorded in the APAR and prepare a report and take necessary action for improving performance as well as weeding out non-performing employees. Therefore, Dealing Assistant shall submit report to the branch officer for taking necessary action soon after completion of the process of the APAR.

9. **Bypassing of channel :** It is observed that many employees are approaching to the higher authorities by ignoring their channel for securing favourable recommendation for considering their untimely and undue promotion and other service benefits by flouting rules and Regulations in force. But instances have come to notice that there is rampant breakage of prescribed procedures for securing undue advantages by influencing higher authorities. The employees are duty bound to abide by the Rules and Regulations and breakage of rules attracts disciplinary action against the recalcitrant for willful disobedience under Central Civil Services (Conduct) Rules, 1964. The Government has taken several measures to stop out of Turn/Functional promotions and streamlining the DPC procedures for extending timely regular promotion to the employees vide OM No.AR-33/2016 dated 23rd May, 2016. But such convention is still not followed in most of the departments/offices due to inaction and supportive attitude of the Appointing Authority.
