AND WHEREAS, 13 (thirteen) vacancies of Assistant Engineer (Civil) were occurred against the promotional quota during the year 1997. These vacancies were to be filled up by promotion on the basis of the Assistant Engineer (Civil) (Amendment) Recruitment Rules-1997, published vide Notification No. RWD/Sectt-93/94 dated 24th October, 1997 in column-12 that the promotion from Technical Assistant (Engineering) of RWD having 3 (three) years of regular service in the grade with minimum qualification of Diploma in Civil Engg./Agri. Engg. and with 5 (five) years of regular service for Degree holder in Civil Engg./Agri. Engg. respectively provided they have passed in Accounts Examination as Junior Engineers.

AND WHEREAS, a DPC was convened on 20th March, 2001 for consideration of the promotion of Junior Engineer (Civil) to Assistant Engineer (Civil) for filling up of 13 (thirteen) vacancies. The DPC observed that all Degree holders have completed 5 (five) years of regular service and eligible for promotion. But Shri Yimo Geyi and Shri Rido Allo both Diploma holders had one month less to complete 8 (eight) years of regular service as Junior Engineer (Civil). As such, the DPC recommended for one time relaxation of 1 (one) month to Shri Yimo Geyi and Shri Rido Allo and recommended for promotion alongwith other candidates. On the recommendation of the DPC, the Government has considered one time relaxation of 1 (one) month to Shri Yimo Geyi and Shri Rido Allo as a special case vide order No. RWD/Sectt-28/99 dated 30th March, 2001.

AND WHEREAS, on the recommendation of DPC and after grant of one time relaxation, Shri Yimo Geyi and Shri Rido Allo were promoted to Assistant Engineer (Civil) alongwith other 11 (eleven) candidates vide Government order No. RWD/Sectt-28/99 dated 30th March, 2001.

AND WHEREAS, Shri Punyo Tangu, Junior Engineer, a Degree holder had challenged the Government relaxation and promotion orders dated 30th March, 2001 in respect of Shri Yimo Geyi and Shri Rido Allo in the Guwahati High Court in WP© No. 115(AP)/2001 that being the Diploma holder they had not completed 8 (eight) years of regular service as per the Recruitment Rules, 1997 and while his case was not considered in the said DPC even though he had completed 5 (five) years of regular service.

AND WHEREAS, the Hon'ble High Court in its judgement and order dated 23rd March, 2004 in WP© No. 115(AP)/2001 set aside the relaxation and promotion orders dated 30th March, 2001 of Shri Yimo Geyi and Shri Rido Allo and directed the State respondent to consider the promotion of Shri Punyo Tangu within a period of 2 (two) months. In compliance of the Hon'ble High Court order, Shri Yimo Geyi and Shri Rido Allo were rereverted from Assistant Engineer (Civil) to their original post of Junior Engineer (Civil) vide order No. RWD/Sectt-28/89 dated 31st May, 2004.

AND WHEREAS, Shri Yimo Geyi and Shri Rido Allo filed a Writ Appeal in the Hon'ble Guwahati High Court in WA No. 08 (AP)/2007. The Hon'ble Guwahati High Court passed in its order on 27th April, 2011 that Shri Yimo Geyi and Shri Rido Allo were not to be considered as Junior Engineer (Civil) as they were serving as Technical Assistant (Engg.) where shorter qualifying service of 3 (three) years was prescribed in the Recruitment Rules, 1997 and this aspect were not brought to the notice of the learned Single Judge. Also, appropriate notice of the writ petition was not given to the appellants and the Judgement was given ex-parte against Shri Yimo Geyi and Shri Rido Allo. Therefore, Hon'ble Guwahati High Court set aside the impugned judgement and order dated 23rd March, 2004 and ordered the learned Single Judge to remit the matter for a fresh consideration.

AND WHEREAS, the Hon'ble High Court finally passed in its judgement and order dated 6th December, 2012 in WP© No. 115(AP)/2001 that vacancies arose in the year 1997 when the Recruitment Rules for the post of Assistant Engineer(Civil) dated 24th October, 1997 in RWD was applicable and at the relevant year the respondent No. 3 and 4 were Technical Assistant (Engg). By the time when DPC met, they had already completed 3 (three) years of qualifying service. Although the posts of Technical Assistant (Engg) had been abolished in the year 2000, since the vacancies arose in the year 1997, the Rule laid down in the year 1997 would be applicable in the case of the private respondents No. 3 and 4 (Shri Yimo Geyi and Shri Rido Allo).

NOW, THEREFORE, in compliance of the Hon'ble High Court order dated 6th December, 2012 in WP© No. 115(AP)/2001, the Governor of Arunachal Pradesh is pleased to re-instate the promotion of Shri Yimo Geyi and Shri Rido Allo to the post of Assistant Engineer (Civil) from the date their initial promotion issued vide order No. RWD/Sectt-28/99 dated 30th March, 2001.

OFFICE MEMORANDUM

The 28th January, 2014

Subject : Fixation of Basic educational qualification as graduation from a recognised university for promotion to the Group - B and Group - A posts/services.

No. AR-74/2013.—The undersigned is directed to say that instances have come to the notice that lot of under qualified persons are frequently promoted to the Group - A post/services by virtue of seniority. The minimum educational qualification required for direct entry in Group - A and Group-B posts is Bachelors Degree but there is no educational qualification prescribed for promotion in the relevant Services/Recruitment Rules. The Group - A and Group - B posts are Managerial beside Supervisory in nature which requires lot of conceptual and interpersonal skill to discharge the duties attached to the posts. On the contrary, the minimum educational qualifications prescribed for most of the Group - C posts are matriculation or Intermediate or Diploma. In the long run the Group -C officials are subsequently elevated to the Group -B and Group - A posts/ services on promotion by virtue of their seniority in the lower grade post without possessing the minimum educational qualification required for Class - II and Class - I (Group - B and Group - A) posts/services.

Further, there is a practice of seeking relaxation of minimum educational qualification prescribed especially for technical posts where technical educational qualification is mandatory to perform the job of the post. Relaxation of minimum educational qualification required to perform the job of a post is not desirable.

The matter has been examined in entirety and to evolve a qualitative work output, the Governor of Arunachal Pradesh is pleased to decide the following :-

- (i) **to fix the minimum educational qualification of Graduation/Bachelor Degree from a recognised University for considering appointment to Group - B and Group - A posts/ services either by direct recruitment or on promotion with immediate effect.**
- (ii) **to discontinue the practice of relaxation of minimum educational qualification prescribed for a post with immediate effect ; and or**
- (iii) **to carry-out amendments in the relevant Services Rules/Recruitment Rules accordingly.**

The above decisions are brought to the notice of all the Ministries/Departments/Organizations under the Government of Arunachal Pradesh for strict compliance. They are also directed to initiate proposal for amendment of the existing Service Rules/Recruitment Rules to insert the educational qualification "Graduation or Bachelor Degrees" from a recognised University immediately in place of lower qualification.

Chief Secretary to the
Government of Arunachal Pradesh,
Itanagar.

GOVERNMENT OF ARUNACHAL PRADESH

PART-I

Appointment, promotions, powers and personal Notices issued by the Governor.

ORDER

The 3rd September, 2013

No. IPR (ADVT) 159/2011.— As per the Business of the Government of Arunachal Pradesh (Allocation) Rules, 1998, all matters relating to general publicity of policy and programme of State Government, publication of Arunachal Review, periodicals and other all publicity materials, issue of Government advertisement and implementation of State advertising Policy guidelines are subjects allocated to Information and Public Relations Directorate.

In pursuance of the Business of the Government of Arunachal Pradesh (Allocation) Rules, 1998, the Directorate of Information and Public Relations has formulated a comprehensive "Information and Publicity Policy" (Info & PP) to regulate issuance of government advertisement, empanelment of newspapers and periodicals and fixation of advertisement rate for empanelled newspapers and periodicals.

The Information and Publicity Policy published in Extra Ordinary Gazette No. 44, Vol. IV, July 22, 1999 envisages release of all classified and display advertisements of Government departments and Public Undertakings (PU) centrally by Directorate of Information and Public Relations (DIPR).

The department has issued many circulars to all Head of Departments and Head of Offices under the establishment of Government of Arunachal Pradesh to release their advertisements through DIPR and adhere to the policy guidelines. However, despite issuance of circulars many departments and Public Undertakings continue to release advertisements directly to newspapers and periodicals. In many cases the departments and PUs are releasing advertisements to non-empanelled newspapers and periodicals at exorbitant rate causing loss to state exchequer. It has also been brought to the notice of the department that many non-existing news papers and periodicals manage to obtain advertisements to earn money fraudulently due to non-compliance of policy guidelines by certain departments.

Government has viewed the non-compliance of Info & PP seriously. Strictures have been received from Chief Minister's office for strict compliance of the policy guidelines and issuance of all advertisements including district administration through DIPR to the news paper published from state capital and districts.

Therefore, in pursuance of Information and Publicity Policy, 1999, henceforth, all the government departments and public undertakings shall route their advertisement through DIPR and place the advertisement well in advance with DIPR for onward release to empanelled newspapers and periodicals for timely publication. All the departments and public undertakings shall ensure that policy directives of the Government as enunciated in the Information and Publicity policy for issuance of advertisements are scrupulously adhered to.

All the Treasury and Sub-Treasury Officers shall ensure that advertisement bills that are not routed through DIPR are not entertained by the Government Treasury and rejected forthwith.

Hari Krishna Paliwal
Chief Secretary,
Government of Arunachal Pradesh,
Itanagar.

OFFICE MEMORANDUM

The 12th August, 2014

Subject : Streamlining of Work Culture and action thereof

No. AR-72/2014.—The undersigned is directed to say that there are rampant procedural lapses in the working of the departmental business and thereby depletion of work culture in the Departments/Offices under the Government of Arunachal Pradesh. Therefore the matter was reviewed in depth in the co-ordination meeting held on 23rd June, 2014 and subsequent meeting on 14th July, 2014 under the Chairmanship of the Chief Secretary with Head of Departments. The Department appraised that a number of circular issued from time to time to improve work culture and there is a need to enforce them in letter and spirit. After threadbare discussion, it was decided to re-iterate all the circular/memorandum issued by the Department for sake of better understanding and implementation. The details of same are given below for compliance by all Departments :-

1. **Punctuality in Office** : A comprehensive guidelines was issued vide Office Memorandum No. AR-75/2012/1 dated 19th March, 2014 for proper maintenance of punctuality and attendance of the staff during the office hours. The attendance register/sheet shall be verified by the Branch Officer on day to day basis after 10 minutes of prescribed arrival time. The Head of Office/Controlling Officer shall also verify the Attendance Register once in a week and verify the presence of the officers and staff in the office and take action against the habitual absentee(s) and work shirkers as per rule. The absent period shall be treated as dies-non i.e. they will neither count as service nor be construed as break in service. The salaries/wages for the absent period shall be deducted from the absentee. **It is re-iterated to deduct the salary/wages of the absentee staff without any deviation.**

2. **Re-employment of retired Government Servant** : There is practices in the Departments/Offices to engage retired Government Employees on contractual basis on various capacities after superannuation. No extension of service is granted to Government employees beyond the retirement age as per FR- 56 (d). The engagement of retired employee incurs additional financial burden to the Government as appointment is made against the resultant vacancy. **Therefore, all the Departments/Offices are directed to discourage such practices and no retired employees shall be engaged in any capacity forthwith.** Bonafied cases with full justification should be referred to the Department of Personnel for taking further action as per the procedure provided.

3. **Maintenance of Guard file** : The guidelines and precedence are necessary to take action on the issues but it is noticed that the offices are not preserving the guidelines, orders, notification for future reference. Therefore, **it is decided and ordered to all Departments/Section/offices to compulsorily maintain guard files properly for future references.**

4. **Proper paragraphing and numbering of Notes** : Note will be divided into serially numbered paragraphs of easy size say ten lines each. A small margin of about one inch will be left on all sides (left, right, top and bottom) of each page of the note sheet to ensure better preservation of notes like approval, decision etc. recorded on certain pages of the file so that the important approval, decisions recorded on edge of the paper do not gets torn making reading of the documents difficult. Therefore, **it is once again reminded of the necessity for keeping one inch margin blank on all four side of the note sheet and the notes should**

be typed/written on both sides of the note sheet. On top of the first page of the note portion in each volume of the file, file number, name of the Ministry/Department, name of branch/section and subject of the file will be mentioned.

5. **Submission of ACRs/APARs timely :** Initiation and completion of ACRs/APARs in a time bound manner is a public duty of the Reporting Officer and Reviewing Officer. Comprehensive guidelines were issued vide No. AR-19/2009 dated 23rd April, 2009 for timely initiation and completion of the ACRs/APARs. Therefore, all Reporting Officers and Reviewing Officers are directed to complete the process of Reporting and Reviewing ACR/APAR within the timeframe stipulated in the guidelines aforementioned and failure of which will invite disciplinary action against the defaulters. Rendition of ACR/APAR has also become problems for the coordinating Section. They are not verifying the receipt properly besides that they are not communicating the remarks in time. As such, lots of embarrassing situations are being created at the time of preparation for promotions. Most of the time coordinating section is reporting the availability or no availability of the ACR/APAR at the time of promotion. Therefore, all the Departments/Offices under the Government of Arunachal Pradesh are directed to keep ACRs/APARs Section/Branch separately who shall properly monitor the receipt of the ACRs/APARs and ensure receipt of it as well as communication of it to the concerned officials on time and non-receipt may be brought to the notice of the Branch Officer for necessary action. The custodian and the Branch Officer are also directed to upload the list of ACRs/APARs and keep ACR/APAR in digitalized form for better preservation.

6. **Relaxation of length of Service for promotion/up-gradation to higher post :** The minimum qualifying service for promotion from one grade to another are fixed by the Government on the recommendations of the Pay Commission. It is necessary to prevent premature promotion or undue jump in pay and also to ensure that the officer has sufficient opportunity to demonstrate his competence/potential for holding the higher post. The fixed qualifying service is not relaxable under any circumstances. The qualifying service for promotion from one grade to another is determined by the length of qualifying service prescribed under the Office Memorandum No. AB-14017/61/2008-Estt (RR) dated 24th March, 2009. Therefore, no relaxation of fixed qualifying service prescribed in the Recruitment/Service Rules shall be made by the appointing authorities with immediate effect.

7. **Timely submission of property Return :** Every Government Servant shall on his/her first appointment to any service or post shall submit a return of his/her asset and liabilities in such forms as prescribed by the Government in terms of Rule 18 (I) of the Central Civil Services (Conduct) Rules, 1964.

Group A and B officers shall submit an Annual Property Return "as on 31st December", every year giving full particulars of immovable property inherited/owned/acquired/held by them on lease or mortgage either in their name or in any of their family members name, in any other person by 31st day of January every year to the Head of the Department in terms of Rule 18 (ii) of the Central Civil Services (Conduct) Rules, 1964.

However, the Government of Arunachal Pradesh has extended the time period for submission of Annual Property Return for the year ending 31st December, 2013 up to 30th September, 2014. **Therefore, all the Group A and B Officers for those who have not submitted their Annual Property Return on 31st December, 2013 shall submit their Annual Property Return on or before 30th September, 2014 (the extended period) failing which action shall be initiated against the defaulter under the relevant rules for non-compliance. However the property Return for the year ending 31st December, 2014 shall be submitted on or before 31st January, 2015.**

All the Heads of the Department directed to verify the property return in conformity with relevant provisions of the rule and take appropriate action accordingly for any disproportionate accumulation of wealth. OFFICE MEMORANDUM

The 8th September, 2014

Subject :- Infer Se-seniority of direct recruits and promotees-instruction thereof.

No. AR-81/2014.— The undersigned is directed to say that lot of confusion persists in various Departments and organisations regarding fixation of inter-se-seniority of direct recruits and promotees. Therefore, a copy of the comprehensive guidelines issued by the Ministry of Personnel, Public Grievances and Pension, Department of Personal and Training, Government of India vide Office Memorandum No.20011/1/2012-Estt-(D) dated 4th March, 2014 is enclosed herewith for ready reference and settlement of the inter-se-seniority.

As the conferment of Seniority would be against the Recruitment Year in which the recruitment process is initiated for filling of the vacancies, it is incumbent upon all administrative authorities to ensure that the recruitment process is initiated during the vacancy year itself. While requisition for filling up the vacancies for direct recruitment should be sent to the recruiting agency, complete in all aspects, during the vacancy year itself, the timelines specified in the Model calendar for DPCs contained in DoPT O.M.No. 22011/9/98-Estt(D) dated 8th September, 1998 and the consolidated instructions on DPCs contained in O.M.No. 22011/5/86-Estt(D) dated April 10, 1989 should be scrupulously adhered to, for filling up the vacancies against promotion quota.

The problem in fixation of seniority is due to improper conduct of DPCs without compliance of rules and procedures. Therefore, all the Department and offices under the Government of Arunachal Pradesh are advised to strictly adhere to the rules and procedures for filling up the vacancies and fixation of seniority to avoid complications.

Ramesh Negi
Chief Secretary to the

OFFICE MEMORANDUM

Subject :- Inter se-seniority of direct recruits and promotees - instructions thereof.

No. 20011/1/2012-Estt. (D).—The undersigned is directed to refer to the subject mentioned above and to say that the fundamental principles of inter se-seniority of direct recruits and promotees in Central Civil Services/ posts were laid down in the Department of Personnel and Training (DOPT) O.M.No. 9/11/55-RPS dated 29th December, 1959 which provided, inter alia, that the relative seniority of direct recruits and of promotees shall be determined according to the rotation of vacancies between direct recruits and promotees, which shall be based on the quotas of vacancies reserved for direct recruitment and promotion respectively, in the Recruitment Rules.

2. The carrying forward of unfilled slots of a vacancy year, for being filled up by direct recruits of later years, was dispensed with through modified instructions contained in DoPT O.M.No. 35014/2/80-Estt.(D) dated 7th February, 1986, which provides that rotation of quotas for purpose of determining seniority would take place only to the extent of the available direct recruits and the promotees. The unfilled direct recruitment/ promotion quota vacancies would be carried forward and added to the corresponding direct recruitment/ promotion quota vacancies of the next year (and to subsequent years where necessary) for taking action for the total number of direct recruitment/promotion according to the usual practise. Thereafter, in that year, while seniority will be determined between direct recruits and promotees, to the extent of the number of vacancies for direct recruits and promotees, as determined according to the quota for that year, the additional direct recruits/ promotees selected against the carried forward vacancies of the previous year, would be placed en-bloc below the last promotee/direct recruit, as the case may be, in the seniority list, based on the rotation of vacancies for that year.

3. All the existing instructions on seniority were consolidated by DoPT through a single O.M.No. 22011/ 7/86- Estt (d) dated 3rd July, 1986.

4. In view of divergent stance taken by different Ministries/Departments on interpretation of 'available direct recruits and promotees' in the context of OM dated 7th February, 1986, the DoPT had issued O.M.No. 20011/1/2006-Estt.(D) dated 3rd March, 2008, which provided that the actual year of appointment, both in the case of direct recruits and promotees, would be reckoned as the year of availability for the purpose of rotation and fixation of inter se-seniority.

5. The matter has been examined in pursuance of Hon'ble Supreme Court Judgment on 27th November, 2012, in Civil Appeal No. 7514-7515/2005 in the case of N.R. Parmar vs. UOI & Ors in consultation with the Department of Legal Affairs and it has been decided, that the manner of determination of inter-se-seniority of direct recruits and promotes would be as under:

- (a) DoPT OM.No. 20011/1/2006-Estt.(D) dated 3rd March, 2008, is treated as non-existent/withdrawn *ab initio* ;
- (b) The rotation of quota based on the available direct recruits and promotees appointed against the vacancies of a Recruitment Year, as provided in DOPT O.M. dated 7th February, 1986/ 3rd July, 1986, would continue to operate for determination of inter-se-seniority between direct recruits and promotees ;
- (c) The available direct recruits and promotees, for assignment of inter-se-seniority, would refer to the direct recruits and promotees who are appointed against the vacancies of a Recruitment Year ;
- (d) Recruitment Year would be the year of initiating the recruitment process against a vacancy year ;
- (e) Initiation of recruitment process against a vacancy year would be the date of sending of requisition for filling up of vacancies to the recruiting agency in the case of direct recruits ; in the case of promotees the date on which a proposal, complete in all respects, is sent to UPSC/Chairman-DPC for convening of DPC to fill up the vacancies through promotion would be the relevant date.
- (f) The initiation of recruitment process for any of the modes viz. direct recruitment or promotion would be deemed to be the initiation of recruitment process for the other mode as well ;
- (g) Carry forward of vacancies against direct recruitment or promotion quota would be determined from the appointments made against the first attempt for filling up of the vacancies for a Recruitment Year ;
- (h) The above principles for determination of *inter se* seniority of direct recruits and promotees would be effective from 27th November 2012, the date of Supreme Court Judgment in Civil Appeal No. 7514-7515/2005 in the case of N.R. Parmar Vs. UOI & Ors.
- (i) The cases of seniority already settled with reference to the applicable interpretation of the term availability, as contained in DoPT O.M. dated 7th February, 1986/3rd July, 1986 may not be reopened.

6. As the conferment of seniority would be against the Recruitment Year in which the recruitment process is initiated for filling up of the vacancies, it is incumbent upon all administrative authorities to ensure that the recruitment process is initiated during the vacancy year itself. While requisition for filling up the vacancies for direct recruitment should be sent to the recruiting agency, complete in all respects, during the vacancy year itself, the timelines specified in the Model Calendar for DPCs contained in DoPT O.M. No. 22011/9/98-Estt(D) dated 8th September, 1998 and the Consolidated Instructions on DPCs contained in O.M.No. 22011/S//86-Estt(D) dated April 10, 1989, should be scrupulously adhered to, for filling up the vacancies against promotion quota.

OFFICE MEMORANDUM

Subject : Procedure to be observed by the Departmental Promotion Committees (DPCs)-MODEL CALENDAR FOR DPCs and related matters —

No. 22011/9/98-Estt. (D).—The undersigned is directed to invite reference to the Department of Personnel and Training Office Memorandum No. 22011/5/86-Estt(D) dated April 10, 1989, containing consolidated instructions on DPCs. These instructions **inter-alia** provide that the DPCs should be convened at regular intervals (by laying down a **time-schedule** for this purpose) to draw panels which could be utilized for making promotions against the vacancies occurring during the course of a year. This enjoins upon the concerned authorities to initiate action to fill up the existing as well as anticipated vacancies well in advance of the expiry of the previous panel by collecting relevant documents like seniority list, Annual Confidential Reports (ACRs), integrity certificates, etc. for placing before the DPCs. The instructions further provide that the DPCs should consider ACRs for equal number of years in respect of all officers considered for promotion. The DPCs should assess the suitability of the officers for promotion on the basis of their service records and with particular reference to the ACRs for five preceding years. However, in cases where the required qualifying service is more than five years, the DPCs should see the records with particular reference to the ACRs for the years equal to the required qualifying service. Instructions further provide that no proposal for holding a DPC or Selection Committee should be sent to the UPSC until and unless all the ACRs, complete and up-to-date, are available.

2. The importance of keeping the ACR dossiers up-to-date and of timely convening of DPCs cannot be over-emphasised. Instances have, however, come to the notice of the Department of Personnel and Training where the DPCs could not be held in time owing to non-availability of complete ACR dossiers of the officers in the zone of consideration and also for lack of prompt administrative action. This invariably delays promotions resulting in considerable frustration among the officials, thereby adversely affecting their morale and overall productivity. As such, some remedial action in this regard has become essential.

3.1. Keeping the aforesaid objective in view, it has been considered imperative to provide for a **time-schedule**, for convening DPCs not only in time but in sufficient advance also so as to utilise the prepared panel as and when the vacancies arise during the course of the vacancy year. For practical reasons, it is also considered desirable to have separate time-schedules for cases requiring approval of the Appointments Committee of the Cabinet and cases which do not require such approval. Accordingly in order to complete all required action, including the approval of the competent authority, well in time (before the commencement of the panel or vacancy years), the administrative action for convening DPCs, in the **cases requiring approval of the ACC** (ACC cases), could, as such, be initiated at least eight and half months before the commencement of the vacancy year and, similarly, DPCs in such cases could be held at least four months before the commencement of the vacancy year. This means that there would be a clear period of the first three and a half months of the year immediately preceding the vacancy/panel year available for completion of the ACRs etc., followed by another four and a half months' time for holding of DPCs. The next one month could be devoted to the post-DPC follow-up administrative action by the administrative Ministry/Department. The final three months' period prior to the commencement of the vacancy year could be left for approval of the Competent Authority (the ACC).

3.2. In relation to the **cases which do not require approval of the ACC** (non-ACC cases), the aforesaid time-schedule could follow a different pattern in regard to various activities as discussed above. This is considered desirable to give sufficient time to the UPSC for holding DPCs in such cases. Accordingly, the administrative action for convening DPCs in such cases could be initiated at least eight months before the commencement of the vacancy year and, similarly, DPCs could be held at least two months before the commencement of the vacancy year. This means that there would clearly be the first four months of the year immediately preceding the vacancy/panel year available for completion of ACRs, etc., followed by another six months' time for holding of DPCs. The final two months could, as such, be devoted to the post-DPC follow-up administrative action, including approval of the Competent Authority. The aforesaid time-schedule, both in 'ACC' and 'non-ACC' cases, may be sufficient by any reckoning. Thus, the **Model Calendar** of events for ACC/Non-ACC cases may follow the following illustrative pattern and the DPCs may ordinarily be held accordingly :-

SUGGESTED MODEL CALENDAR FOR DPCs

NOTE : Dates/Periods suggested in the Model Calendar for DPC put no bar on earlier completion of various pre/post-DPC related actions.		
Every effort may, as such, be made for taking speedy action in the matter without waiting for the last date or completion of the period as suggested by the Model Calendar for DPC.		

4. As already pointed out in para-2 above, the success of the Model Calendar would depend on the Ministries/Departments furnishing the complete proposal to the UPSC with relevant ACRs, integrity certificate, copy of Recruitment/Service Rules, seniority list, penalty statement and correct vacancy position, etc. In accordance with the direction contained in Cabinet Secretary's D.O.letter No. DOPT/39022/7/97-Estt(B) dated November 19, 1997 addressed to all Secretaries to Government of India, while referring the DPC proposals to the UPSC, the Joint Secretary(Administration) of the Ministry/Department concerned would certify that the information and documents have been furnished in accordance with the check-lists prescribed by the Department of Personnel and Training Vide its Office Memorandum No.22011/5/86-Estt(D) dated April 10, 1989 read with Office Memorandum No. 22011/6/86-Estt(D) dated May 30, 1986.

5. In terms of the Department of Personnel and Training Office Memorandum No.22011/9/89-Estt(D) dated October 17,1994 for preparation of select panel, Ministries/Departments may calculate the vacancies for reporting to DPC on financial year basis where ACRs are written financial year-wise and on calendar year basis where ACRs are written calendar year-wise. The items of work relating to calculation of vacancies arising on various dates in the relevant vacancy year may be completed strictly as per schedule prescribed in the suggested Model Calendar for intimation to the UPSC/DPCs.

6. If there is a need for preparing a second and subsequent panels for the same vacancy/panel year, consideration of the ACRs in such a situation may be restricted to the year upto which these were taken into account while preparing the original select panel. This would ensure application of a uniform yardstick with reference to all such select panels for the same vacancy/panel year.

7. In accordance with the existing instructions, the DPC is required to take into account the existing and clear anticipated vacancies in the concerned grade only. The **Chain vacancies** in the higher grade are taken into account only if an appointment has already been made to the higher grade as on the date of the DPC. Unless actual appointment in the higher grade is made, even retirement vacancies in the higher grade are not taken into account as the same may arise by appointment subsequently. Since in accordance with the suggested Model Calendar being prescribed herein the panels for all the grades may be available on the first day of the vacancy year, it is expected that all Chain vacancies may become available during the same vacancy year. Accordingly, for the sake of uniform procedure, it is provided that a DPC for a grade may take into account all clear expected vacancies by retirement etc. in the concerned grade as well as chain vacancies on account of retirement etc. in the higher grades which can be clearly anticipated in the same vacancy year.

8. As per the Model Calendar, since the DPC would be convened in the year preceding the vacancy year, the DPC may have to consider some of the officers who are to retire in the vacancy year itself. There may be similar other eventualities. Therefore, in order to have effective panels, DPC may have to provide for an **extended panel** subject to the parameters prescribed vide this Department's Office Memorandum No. 22011/18/87-Estt(D) dated April 9, 1996.

9. The **Crucial date** for determining eligibility in case of financial year-based vacancy year would fall on January 1, immediately preceding such vacancy year and in case of calendar year-based vacancy year also, the first day of the vacancy year i.e. January 1 itself would be taken as the crucial date. To illustrate the point, January 1, 2000 would be the crucial date for the vacancy year 2000 (calendar year) as well as vacancy year 2000-2001 (financial year).

10. With a view to providing adequate time for circulation/general awareness of these instructions, it is considered desirable to make the aforesaid Model Calendar for DPCs operational with effect from **April 1,1999** in relation to the financial year-based vacancy year (2000-2001) commencing from April 1, 2000. In the case of calendar year-based vacancy year commencing from January 1, 2000, the Model DPC Calendar may take operational effect from **January 1, 1999**. In keeping with the decision noted in para - 9 above to adopt, on uniform basis, January 1 as the Crucial date for determining eligibility, it is provided that January 1, 2000 may be adopted as the crucial date in relation to the vacancy years commencing from January 1/April 1, 2000.

11. As for practical reasons, it may not be possible to adopt the aforesaid Model Calendar for DPC in relation to the **transitory vacancy years** commencing from January 1/April 1,1999, it is considered adequate, in order to accelerate DPC-related activities, to provide that efforts should be made by the Ministries/Departments to hold the DPC meetings and preparation of panels in advance even for these transitory vacancy years without waiting for the latest ACRs. The Crucial date for determining eligibility would, however, in keeping with the decision noted in para-9, fall on **January 1, 1999** in relation to these transitory vacancy years commencing from January 1/April 1,1999.

12. All Ministries/Departments are requested to take note of the above clarifications/modifications of the existing instructions for **wide circulation on priority basis** and strict compliance so that the desired objectives of convening of DPC meetings/preparation of the approved select panels as per the aforesaid prescribed time-frame may be achieved.

13. Hindi Version will follow.

DIRECTOR (Establishment).
