OFFICE MEMORANDUM.

The 17th November, 2011

Subject : Observation of Hon'ble Supreme Court on Right to Information Act, 2005 in Civil Appeal No. 6454 of 2011, arising out of SLP© No. 7526/2009 in the Case of Central Board of Secondary Education and Anr. Vs. Aditya Bandopadhyaya and Ors.

I am directed to enclose herewith a copy of Office Memorandum No. 1/18/2011-IR dated 16th September, 2011 received from the Ministry of Personnel, Public Grievances and Pension, Department of Personnel and

Training, Government of India on the subject mentioned above. The Hon'ble Supreme Court has elaborated the section 3 and the definition of 'information' and 'right' under clause (f) and (j) of section 2 of the Right to Information Act, 2005. The only information can be supplied under the Act which already exists and is held by the public Authority or held under the control of the Public authority. The Public Information Officer is not supposed to create information ; or to interpret information ; or to solve the problems raised by the applicants ; or to furnish replies to hypothetical question.

Therefore, you are requested to disseminate among the Public Information Officers under your department for necessary guidance.

Subject : Observation of Hon'ble Supreme Court on Right to Information Act, 2005 in Civil Appeal No. 6454 of 2011, arising out of SLP[C] No. 7526/2009 in the Case of Central Board of Secondary Education and Anr. Vs. Aditya Bandopadhyay and Ors.

\*\*\*\*

The undersigned is directed to invite attention to this Department's O.M. No. 1/4/2009-IR dated 5th October, 2009 whereby a Guide on the Right to Information Act, 2005 was circulated. Para 10 of Part I of the Guide, inter alia, stated that 'only such information can be supplied under the Act which already exists and is held by the public authority or held under the control of the public authority. The Public Information Officer is not supposed to create information ; or to interpret information ; or to solve the problems raised by the applicants; or to furnish replies to hypothetical questions'. The same issue has been elaborated by the Supreme Court in the matter of Central Board of Secondary Education and Anr. Vs. Aditya Bandopadhyay and Ors. (Civil Appeal No. 6454 of 2011) as follows :

" At this juncture, it is necessary to clear some misconceptions about the RTI Act. The RTI Act provides access to all information that is available and existing. This is clear from a combined reading of section 3 and the definitions of 'information' and 'right to information' under clauses (f) and (j) of section 2 of the Act. If a public authority has any information in the form of data or analysed data, or abstracts, or statistics, an applicant may access such information, subject to the exemptions in section 8 of the Act. But where the information sought is not a part of the record of a public authority, and where such information is not required to be maintained under any law or the rules or regulations of the public authority, the Act does not cast an obligation upon the public authority ; to collect or collate such non available information and then furnish it to an applicant. A public authority is also not required to furnish information which require drawing of inferences and/or making of assumptions. It is also not required to provide 'advice' or 'opinion' to an applicant, nor required to obtain and furnish any 'opinion' or 'advice' to an applicant. The reference to 'opinion' or 'advice' in the definition of 'information' in section 2 (f) of the Act only refers to such material available in the records of the public authority. Many public authorities have, as a public relation exercise, provide advice, guidance and opinion to the citizens. But that is purely voluntary and should not be confused with any obligation under the RTI Act."

3. This may be brought to the notice of all concerned.

ORDER

The 14th May, 2012

No. IPR (ADVT) 159/2011.— As per the Business of the Government of Arunachal Pradesh (Allocation) Rules, 1998, all matters relating to general publicity of policy and programme of State Government, publication of Arunachal Review periodical and other all publicity materials, issue of Government advertisement and implementation of State Advertising Policy guidelines are subjects allocated to Information and Public Relations Directorate.

In pursuance of the Business of the Government of Arunachal Pradesh (Allocation) Rules, 1998, the Directorate of Information and Public Relations has formulated a comprehensive “Information and Publicity Policy” (Inf&PP) to regulate issuance of government advertisement, empanelment of newspapers and periodicals and fixation of advertisement rate for empanelled newspapers and periodicals.

The Information and Publicity Policy published in Extraordinary Gazette No. 44, Vol. IV, July 22, 1999 envisages release of all classified and display advertisements of Government Departments and Public Undertakings (PU) centrally by Directorate of Information and Public Relations (DIPR).

The Department has issued many circulars to all head of Departments and head of offices under the establishment of Government of Arunachal Pradesh to release their advertisement through DIPR and adhere to the Policy guidelines. However, despite issuance of circulars many departments and public undertakings continued to release advertisement directly to news papers and periodicals. In many cases the departments and PUs are releasing advertisements to non empanelled newspapers and periodicals at exorbitant rate causing loss to state exchequer. It has also been brought to the notice of department that many non existing newspapers and periodicals manage to obtain advertisements to earn money fraudulently due to non compliance of policy guidelines by certain departments.

Government has viewed non compliance of Information and Publicity Policy seriously. Strictures have been received from Chief Minister’s office for strict compliance of the policy guidelines and issuance of all advertisements including district administration through DIPR to the newspaper published from state capital and districts.

Therefore, in pursuance of **Information & Publicity Policy, 1999**, henceforth, all the government departments and public undertakings shall route their advertisement through DIPR and place the advertisement well in advance with DIPR for onward release to empanelled newspapers and periodicals for timely publication. All the departments and public undertakings shall ensure that policy directives of the Government as enunciated in the information and Publicity Policy for issuance of advertisement are scrupulously adhered to.

All the Treasuries and Sub-Treasuries Officers shall ensure that advertisement bills that are not routed through DIPR are not entertained by the Government Treasury and rejected forthwith.

Indra Mallo Jain, IAS  
Secretary to the  
Government of Arunachal Pradesh,  
Department of Information,  
Public Relations and Printing,

## OFFICE MEMORANDUM

The 2nd May , 2012

Subject : **Maintenance and Preparation of Annual Performance Appraisal Report (APAR) of the Director/Joint Director/Deputy Director/Assistant Director and equivalent posts in the Directorate service.**

No. AR.-43/2012—The undersigned is directed to forward herewith a common format for initiating annual performance appraisal report of the Director, Joint Director, Deputy Director, Assistant Director and equivalent posts under the directorate service of the Government of Arunachal Pradesh. The system of writing of ACR was superseded by the Office Memorandum No. AR-29/2009 dated 9th September, 2008 because the old format has been found not worthy enough to evaluate the performance of the Officers and Staff working in the Department/Offices. The Department of Administrative Reforms has circulated common

format for annual performance appraisal report in respect of a few grades whose nature of duties and functions are like. While examining the proposals received from some of the departments to frame the Annual appraisal report of the afore-said grades, it is observed that the nature, duties and functions of the above grades are more or less same. Since, the nature of job and the functions of the aforesaid grades are common, a common format has been designed to evaluate the performance of the officers under the directorates. There is no colour code for the aforesaid grades and the performance appraisal of the APCS officers holding any of the post will be evaluated in the prescribed format meant for the APCS. Therefore, all the Offices under the Government of Arunachal Pradesh are directed to maintain the APAR forthwith in the format enclosed.

Further, all the Heads of the Departments/Offices are also requested to initiate action for the framing of the APAR formats of all officers and officials which have not been covered in the formats.

Huzar Lollen,  
 Commissioner to the  
 Government of Arunachal Pradesh,  
 Itanagar.
